*Votrax chip needed

**INTEL 8231A or 8232 chip needed

If any manufacturing defect becomes apparent within 30 days of purchase, the defective cassette/disk will be replaced free of charge subject to its return by the consumer by prepaid mail. Send a letter specifying the defect to:

Load 80, 80 Pine Street, Peterborough, NH 03458

Replacements will not be made if the cassette/disk has been altered, repaired or is misused through negligence, shows signs of excessive wear or is damaged by equipment.

LOAD 80 is simply the listings from 80 MICRO; it will not run under all system configurations. Use the Key Box accompanying each article in 80 MICRO as your guide.
