TRIBBLE TRAP!!!

Can you catch the elusive beast?

Harry Mudd, a vagabond of some ill repute in this quadrant, had left the Enterprise with a legacy of small furry critters known as TRIBBLES.

Kirk, in his usual no-nonsense fashion, has made short order of the little tykes by firing them off into space in a shuttle craft which was programmed to land on a distant planet many galactic sectors removes.

Unfortunately,

WORD JUST ARRIVED THAT FEDERATION HEADQUARTERS HAS DISCOVERED
THAT THE UNIQUE LITTLE CRITTERS HAVE A MYSTERIOUS HEALING
POWER AND WILL PROVE INVALUABLE TO THE UNITED PLANETS.

The TRIBBLE is priceless... your mission is to capture him... ALIVE!!

Good luck, commander!

The Federation is counting on you!!!
